Design an Easter Egg Competition

After a very successful Christmas card competition this year, we are very excited to be holding our 'Design an Easter Egg' competition. Your challenge is to design an Easter Egg. Be as creative as you like. You could use felt tip pens, crayons, colouring pencils, collage materials or anything else you can think of to make it as exciting as possible!

There will be a KS1 and a KS2 winner who will receive a big Easter Egg prize. There will be second place prizes of a small Easter Egg and third place prizes of a tube of mini eggs in each Key Stage. All children who take part will receive a certificate.

Please return your designs to your child's class teacher by **Friday 23rd March 2018**.

Remember:

- You can use as many or as little materials as you like.
- Make sure your **name and class** are clearly labelled on the back.
- You can print off and use the egg template attached if you choose.

Here are some ideas to help you!

Good luck!

Yours sincerely,

Mrs Jeylan Shaw

(Art Co-ordinator)
