Dear Families,

The sunshine is finally here! Let's hope it is here to stay.

Walk to School Week.

The week beginning 20th of May is 'Walk to School Week'. We encourage you to leave the car behind and walk. A generation ago, 70% of us walked to school but now it is less than half.

Walking to school is a wonderful way to start the day!

It can have a great impact on your personal health and the planet as well as allowing you have more quality time with your family and friends along the way.

Even if you can't walk to school, try and make time to get outside and walk somewhere every day.

I want to wish our year 6 pupils the very best of luck with their upcoming SATs next week. They have all worked extremely hard to be as ready as they can be. We are extremely proud of them all.

Please check the Key Dates section and look out for some more information on our Cultural day and Sports Week in the coming weeks.

Attendance

Whole School Target: 96%

This year so far: 95.1%

I hope you all have a lovely last couple of weeks of this half term.
G.Vincent

Mental Health and Well Being

The role of a parent is not an easy one. As parents we do not have all the answers and do not always know how to help. We understand that more young people than ever before need support with their mental health and wellbeing. If you feel you would like some support, please speak to your child's class teacher, or take a look at the Young Minds website.
